

2022 ANNUAL REPORT

Dear Hunger Advocate,

After several challenging years, I am humbled by the remarkable progress we made in 2022. We're incredibly grateful to the organizations and individuals who stood alongside us in the fight against hunger.

Meal Pack Sponsors. As the lifeblood of our organization, meal pack sponsors helped fund the creation of 1.4 million meals.

Volunteers. Thousands of volunteers of all ages and abilities gave more than 11,000 hours of service to create meals for others in need.

International Partners. Trusted partners facilitated the delivery of hundreds of thousands of meals to international communities in need, including 500,000 meals to aid Ukrainians affected by the war.

Donors. Gifts from individuals and granting organizations provided invaluable resources to sponsor meal packs, fund student education and offset critical operating expenses.

As long as our communities continue to face food insecurity and malnutrition, we will rise to meet their need and care for our neighbors both near and far.

With gratitude,

Abigail Harlan
Executive Director
